

Velocities™ Multi-Vendor Consolidation Program Delivery Schedule

888.772.1197
hansonlogisticsgroup.com

**The delivery window represents the target delivery date equal to/or minus one day from the actual due date of the order. Deliveries are contingent upon the securing of suitable delivery appointments. Our objective is to deliver on the day the order is due or the day before. Appointments are normally secured prior to close of business on Thursday.*

- Monday/Tuesday
- Tuesday/Wednesday
- Wednesday/Thursday
- Thursday/Friday
- Truckload shipments to major retailers, such as Walmart.

Velocities™ Lower Cost, Continuous Replenishment

By consolidating orders and optimizing carrier capacity, Velocities™ benefits food manufacturers, wholesalers and retailers. It is a win/win cold supply chain solution. Food manufacturers and wholesalers are able to deliver smaller, higher frequency orders at a lower cost; retailers receive scheduled, mixed truckload deliveries consistent with their continuous fulfillment strategies.

- Reduce transportation delivery costs by up to 50%
- Become a preferred vendor to major retailers
- Control your margins on order fulfillment
- Leverage visibility and electronic ordering technologies
- Utilize Hanson transportation services for truckload replenishment
